Dear Parties:

Subject: Docket No. 2008-0274 – Decoupling Proceeding  
April 20-21, 2009 Technical Workshop/Settlement Discussion

In accordance with the Stipulated Procedural Order issued on January 21, 2009, in this proceeding, a technical workshop/settlement discussion session will be held on Monday and Tuesday, April 20 and 21, 2009. The purpose of the workshop is to review the HECO Companies'<sup>1</sup> and the Consumer Advocate's joint decoupling proposal and Haiku Design and Analysis' proposal. Attached is the agenda for the workshop.

The workshop will be held in the King Street Auditorium, located on the second floor of the main Hawaiian Electric Company building at 900 Richards Street. As this is a secured building, the Company will issue an identification badge to each visitor. Please e-mail Tim Lee at [timothy.lee@heco.com](mailto:timothy.lee@heco.com) to provide the names of the attendees from your organization by Thursday, April 16, 2009.

The decoupling discussion may include confidential information that the HECO Companies submitted with their initial decoupling proposal filed on January 30, 2009, or other confidential information provided in response to information requests. As a result, attendees to this workshop and settlement discussion who did not participate in the February 27, 2009 technical workshop must execute Exhibit A of the Protective Order approved on January 6, 2009 in this proceeding and deliver copies to the Commission and the HECO Companies prior to this workshop.

If you have any questions, please call Tim Lee at (808) 543-7566.

Very truly yours,

Attachment
